

CITY OF BURNABY

BYLAW NO.

A Bylaw to regulate the use of pesticides for cosmetic purposes

The Council of the City of Burnaby ENACTS as follows:

1. This Bylaw may be cited as **BURNABY PESTICIDE USE CONTROL BYLAW, 2008.**

2. In this Bylaw:

“**biological control**” means the use of natural agents such as insects, nematodes, fungi, viruses, fish or animals to control pests;

“**hard landscape**” means any constructed surface typically used for landscaping such as asphalt, concrete, rocks, gravel, treated wood or brick pavers;

“**infestation**” means the presence of pests in numbers or under conditions that involve an immediate risk of substantial loss of or damage to property;

“**permitted pesticide**” means a pesticide listed in Schedule “A”;

“**pest**” means an animal, a plant or other organism that is injurious, noxious or troublesome, whether directly or indirectly, and an injurious, noxious or troublesome condition or organic function of an animal, a plant or other organism;

“**pesticide**” means a microorganism or material that is represented, sold, used or intended to be used to prevent, destroy, repel or mitigate a pest, and includes but is not limited to:

- (a) a herbicide that is a plant growth regulator, plant defoliator or plant desiccant;

- (b) a control product as defined in the *Pest Control Products Act* (Canada); and
- (c) a substance that is classified as a pesticide by the *Integrated Pest Management Act* (British Columbia);

“private lands” means a parcel or part of a parcel if the parcel or part is used for residential purposes;

“public lands” means lands owned by the City.

3. Except as otherwise permitted under this Bylaw, no person shall apply or cause or permit to be applied a pesticide on private lands or public lands within the City of Burnaby.
4. This Bylaw shall not apply in respect of:
 - (a) the use or application of a permitted pesticide;
 - (b) the use of a pesticide in response to a danger to human or animal health;
 - (c) the use of a pesticide to disinfect a swimming pool, wading pool or whirlpool;
 - (d) the use of a pesticide to purify water intended for human or animal consumption;
 - (e) the use of a biological control to destroy noxious pests, including rats and mice;
 - (f) the use of a pesticide to control or exterminate an infestation;
 - (g) the use or application of a pesticide inside of a building;
 - (h) the use of a pesticide to control or destroy plants which constitute a danger for human beings who are allergic thereto; and

(i) the use of a herbicide to prevent the deterioration of hard landscapes.

5. (1) Every person who violates a provision of this Bylaw, or who consents, allows or permits an act or thing to be done in violation of a provision of this Bylaw, or who neglects or refrains from doing anything required by a provision of this Bylaw, is guilty of an offence and is liable to the penalties as may be imposed under the *Offence Act*, R.S.B.C. 1996, c.338.

(2) Each day that a violation continues or exists under this Bylaw is a separate offence.

6. If any section or provision of this Bylaw is held to be invalid by a Court of competent jurisdiction, then such invalid portion shall be severed and such decision shall not affect the validity of the remainder of the Bylaw.

7. This Bylaw comes into force on March 1, 2009.

Read a first time this	day of	, 2008.
Read a second time this	day of	, 2008.
Read a third time this	day of	, 2008.
Reconsidered and adopted this	day of	, 2008.

Mayor

City Clerk
